

Guainia language

Baniwa of Guainía is an Arawakan language of Brazil and Venezuela, presumably named after the Guainia River. There are maybe 10 speakers in Brazil and about 200 in Venezuela. It is one of several languages which goes by the generic name Baniwa. A dialect, *Warekena do rio Xié*, is not to be confused with the Warekena language. *Glottolog* apparently confuses it with Baniwa of Maroa.
